

HEALING FROM THE HEART **At The London Spiritual Mission**

“Healing from the heart”

For the novice to the more experienced energy worker.

Saturday 21st March 2020 from 10am until 4pm

This is a one day workshop to be run by London based International Medium, Spiritual Teacher, Reiki Master Teacher, Quantum Touch Instructor and Shamanic Healer; Roy Sunley.

This day is for those with an interest in further developing their healing energy and abilities through light touch, thoughts and heart felt resonance. Come and learn to enhance your healing with Spirit, love and heart chakra energy.

We will use light touch, setting intentions with love and direction.

We will, again practice the above in a safe and fun environment with like minded people. We will work as a group, as individuals and in pairs. We will watch demonstrations and learn through group hands on exercises and experience.

I invite to stretch your selves in this safe and comfortable home of Healing, Care, Love and Light.

Come and enjoy learning at The UK’s leading Independent Spiritualist Church.
