

# Inspirational Mediumship Windsor Spiritualist Church

## Inspirational Mediumship

For the novice as well as the more experienced Spiritualist.

**Saturday 25th April 2020 from 10am until 4pm**

This is a one day workshop to be run by International Medium, Reiki Master Teacher, Quantum Touch Instructor Shamanic Instructor and Spiritual Teacher: Roy Sunley.

This day is for those with an interest in further developing their Spiritual connection and using inspirational energy, thoughts and words which will further open their Spiritual channel and ability to communicate with Spirit, a congregation or clients.

Come and learn to enhance your communication with Spirit, empower your guided speaking and your mediumship to a new level of confidence and clarity.

We will practice communicating with our Guides and Helpers as well as learning to use their powerful energy in Psychic Sittings and Readings. We will use enhanced Spirit energies to give inspirational words of guidance, love and direction to all who listen to us.

We will, always practice the above in a safe and fun environment with fellow light workers. We will work as a group, as individuals and in pairs. We will watch demonstrations and learn through group exercises and others enlightened experiences.

I invite you to stretch your selves in this safe and comfortable home of Love and Light in Windsor.
